

GILDREDGE PARK BOWLS CLUB 200 CLUB

I would like to thank all members who have supported the 200 club over the past year. We had 173 member units and it would be good to have more next year. The funds raised go towards the extras the club will need next year and were used earlier in 2024 for the new ladies lockers. Further good support in 2025 will enable us to do even more in the coming months.

Units cost £12 for a year for twelve draws so please consider how many units you wish to purchase.

Good luck.

Linda Couch
